Sunday Evening

Dear Friend Jackson:

162 Our friend Wendell Phillips's  
 admirable bust, in marble, being  
 now completed, I wish to pay the  
 artist the sum you have in your  
 possession for that purpose. I  
 will then put into your hands a  
 complete list of the names of all  
 the donors, with the entire receipts  
 given at various times by the ar-  
 tist for value received. Should  
 you be at the office to-morrow,  
 or on any subsequent day, you can  
 leave the money with him, should  
 I not happen to be there.

Truly yours,

Wm. Lloyd Garrison.
